About Chalet Le Méridien - Tournette ...

This luxury, light-filled ski apartment which overlooks the beautiful Manigod valley is the perfect setting for your holiday, whether you are travelling with friends or a large family group.

The apartment takes up all of the first floor of a converted farmhouse, Chalet Le Meridien. It can also be rented together with [Apartment Etale](#), which is on the floor below, to accommodate up to 21 people.

Both properties are self-contained, have their own entrances, parking, their own outdoor spaces, their own hot tubs, and are sound insulated.

Chalet Le Meridien is just a short walk from Manigod village, where you can pick up fresh bread from the boulangerie or enjoy a traditional meal at Val Sulens restaurant, and is perfectly placed to enjoy all the activities the La Clusaz area has to offer.
